

Would you like Morton to begin recycling?
How about reusing our supplies instead of throwing them out?
What about improving our community's environment?

Then you should join Going Green at Morton

This group is open to all Morton staff, students, and community members. We will meet each month with the goal of creating a school and community that display an appreciation for the environment and participate in environmentally friendly activities.

Our first meeting will take place on Thursday, December 18th at 3:05 in Morton's band room, and we hope to see as many people as possible in attendance. Please email Ms. Kohrmann at Alison.Kohrmann@vandalia-butler.k12.oh.us if you cannot attend the meetings, and she will be happy to keep you up to date with the club's activities and inform you of ways that you can help.

Our scheduled meeting dates for the 2008-2009 school year are:

December 18th, January 22nd, February 19th, March 19th, April 23rd, and May 14th.

All occur on Thursdays and will be held in the Morton band room at 3:05pm.

We hope to see you there!
